

The five fingers

Thumbs up: What does that mean? Good or perfect. In the beginning everything was good. God created, and he saw that it was good.

Titus 3:4

Forefinger: Have you ever experienced your teacher pointing at you, saying: YOU!!! Then you know that you have done something wrong. The Bible says that we all have sinned.

Romans 3:23

Middle finger: This one can remind us that we are far away from God. The Bible says that the wages of sin is death. We are lost.

Romans 6:23

Ring finger: The ring speaks of love, commitment and relation. To turn away from everyone else and choose the one. We can get a relation to Him who has forgiven us our sins, and we can choose to trust in Jesus. He died for us on the cross, but arose again three days later and lives today.

John 3:16

Little finger: Jesus wants to have fellowship with you. He reaches out his hand to you, saying: "Come and follow me." If you turn and follow Jesus, you will have a new life here on earth and eternal life in Heaven.

John 10:27–28
